RE: Camper Village, Conditional Use Permit, Request for Minor Revision/Modification

Dear Ms. Vaz

This is in reply to your letter of December 1, 2011 and your stated request for a minor revision/modification of the Conditional Use Permit for Camper Village in the Town of Tusayan. The change would allow the placement of two model manufactured homes on the site for the purpose of informing local residents about the housing opportunities being provided by Stilo on this and nearby properties.

Your request is hereby approved. Development of the site shall be consistent with the information provided in your letter of request dated December 1, 2011 together with attachments including a site plan. Please note that the Conditional Use Permit for Camper Village will expire on October, 28, 2013. As a modification to allow this use as part of the current CUP, it will expire when the CUP expires.

Please let me know if you have any questions regarding the contents of this letter.

Sincerely,

Grant I. Anderson, P.E.
Acting Director of Community Development

cc: Enrique Ochoa, Town Manager
Bill Sims, Town Attorney
